Hello Peter, attached are the documents that were used on the above contract. With a small amount of tweaking they may be of use for other projects. COSHH and Plant specification details are not available to me electronically but have been included in the M/S.

I would like to take this opportunity to congratulate the Site Erection Team for working in a safe, proactive, dilligent and thoroughly professional manner during the works and I believe they are ambassadors for and a credit to Archer Structures Ltd.

I will send progress photo's shortly.

Best regards
Tony Ferguson
