24th June 2005

F.A.O. Mr Peter Archer
Archer Structures
Unit 4, Felspar Rd
Amington Industrial Estate
Amington, Tamworth
Staffs B77 4DP

Dear Peter,

Ref: Mortons Development, Northfield

Thank you for your efforts at the Mortons site today and we would like to say how pleased we were with your operatives who were on site erecting the 2 beams in appalling weather conditions. They were hardworking and very professional and we would like you to pass our comments to them.

We look forward to working with you again next week whilst erecting the ledger angles and Metsac beams.

Yours Sincerely
Jeff Sears
