Dear Pete

Arden Wood Shavings - Claverdon

I wanted to take this opportunity to express my thanks for your efforts in getting the first two steel structures up and in position so quickly and efficiently. I also want to thank your team for their hard work and professionalism.

It has been good to work with you again and I hope we can work together as effectively on many future sites.

Yours sincerely

A handwritten signature in black ink, appearing to read "Steve Dodd", with a large, sweeping flourish extending to the right.
